

# OH NO! MORE Lemmings

Important "Oh No More Lemmings" requires the original Lemmings game disk to run.

After turning on your computer click on the disk drive icon, this will bring up the "Oh No More Lemmings" icon to run the game. You will than be prompted to insert the original "Lemmings" game disk and then to re-insert the levels disk.

The game is played as the original Lemmings game, please refer to your Lemmings game instructions.

There are 5 new game categories: Tame, Crazy, Wild, Wicked and Havoc. Each category has 20 levels making 100 in total.

Hard disk users should copy "Oh No More Lemmings" onto the hard drive. You will be prompted for the original Lemmings game disk on first running. You will need to have your "Oh No More Lemmings" floppy disk in drive 0 as a key disk to play your game from hard drive.
